# NLRR Residents' Committee Notes June 2025

Hello residents and welcome to the cooler days of June.

The Residents' Committee meeting was held on 13<sup>th</sup> May.

Residents are invited sometimes to attend the committee meeting as observers. This gives them an insight into how the committee members work together, each with their individual responsibilities.

Members of the Residents' Committee have been developing a new Constitution to present to residents at the Manager's and Residents' Committee Forum on Wednesday 18<sup>th</sup> June. Come along to vote on rescinding the current Constitution and adopting the new version.

Committee members presented updates on their various portfolios.

The Treasurer presented the Residents' Funds' Financial report, showing more details of some items.

The Social Sub-committee continues to plan various social activities. The entertainer, Michael Whitmore, with a \$5.00 cover charge, was a happy night. The \$20 roast meal for Anzac Day and the coach trip to Mooloolaba were very popular. The Residents' Committee agreed that both events should be subsidised, using residents' funds, thereby giving attendees affordable outings.

A Residents' Activities Showcase is planned for Wednesday 30<sup>th</sup> July. The presentation of the activities on offer will include a morning tea for residents. A light lunch will be provided for the Activity Leaders as an acknowledgement of their contribution to residents' health and well-being.

Welcome morning teas for new residents and their welcome greeters are held regularly. Please welcome your new neighbours and offer to help them settle in.

Members of the Security group continue to volunteer with their daily checking of the buildings.

Residents enjoy using the gym equipment and workshop.

Residents are encouraged to express any questions or queries to the Residents' Committee by placing a copy in the Residents' Committee mailbox in the Clubhouse mailroom or email [rescmtenlrr@gmail.com](mailto:rescmtenlrr@gmail.com)

Dear Residents,

Just a brief one from me this month!

Tunstall alarms- Just wanted to reiterate with you all that activating your Tunstall alarm does not mean you are automatically taken to hospital. I have heard of several incidents where people have been scared to activate it as they are nervous that they will be taken. Not always the case. An example would be if someone has had a fall and just needs a bit of help to get up- no need to go to hospital. Unless you have hit your head- this should ALWAYS be investigated and the ambulance can advise whether it is necessary to attend hospital or not after assessment.

Please remember to check your pendants/watches monthly as we have had a run of low batteries again lately.

To be safe, can you all also check the expiry dates on your medicines that you may be hanging onto. The active ingredients of drugs can change over time, so please check and discard any expired stock.

Love from

Nurse Lisa

From July 1, Australia's aged care system is changing. The current **Home Care Package**

**Programme** will be replaced by **Support at**

**Home**, a new model designed to make aged care simpler, person-centred, and more flexible.

five.good.friends

If you're looking for a little extra help around the home, or have been thinking about choosing a new provider, we would be honoured to help you. We've spent 12 months preparing for Support at Home so you can benefit, as much as possible, from the new programme.

**Your Nurse Concierge, Leanne, is available to answer your questions and support you through the changes. Leanne is next in the village 27<sup>th</sup> May and 18<sup>th</sup> June.**

**Or contact our Care Advice team on 1300 787 581.**

The Craft ladies raised \$380 for Australia's Biggest Morning Tea Cure for Cancer. Sincerely thanks to Jessie, Luke, Tarns, Lisa and team for their generous help and support for this worthy cause.

Hi all,

## **SPECIAL RESOLUTION**

You voted and your voice was clear. A resounding YES to the proposal to maintain the existing caterers in the Town Hall kitchen was delivered. We will now work with both fellas to ensure all opportunities to prosper from their presence are explored.

A big shout out to Luke who was congratulated by the Council Food Safety Inspector who appeared unexpectedly, and a few months early, to check on our operations this past week. Thankfully all the hard work Luke has been doing in relation to general operations in both kitchens ensured he received an outstanding report card. Well done Luke and team. This is a great achievement!

## **COFFEE HUB**

Thanks for your support on the fish 'n chip opening on the last couple of Fridays, where over 35 residents each week have enjoyed the salty selection. Most decided to dine in which was great to see! Keep your eyes peeled for the newest addition to the meal offerings as we are set to launch a Club House Sunday Roast in June. With recent challenges now behind us, we will sit down with Chef Marco and your Committee to discuss our ideas and options for the Town Hall Bistro and hope to launch something soon.

## **FRONT RECEPTION RENOVATION**

We were fortunate to be advised by Levande recently that the \$30K in funds needed for the front reception upgrade have been approved. At a date yet to be determined, sometime in late June, works will commence and this will cause some disruption to the way we serve you. Deb and Billie will likely operate reception services from my office and I will float about between offices. All going well this should only be for a week or so and then we will be back in action. This was the last piece of the renovation puzzle that was omitted at the time so we are pleased to be able to now improve the comfort and functionality of the space for us and the residents.

## **LEVANDE REBRAND**

Levande is set to launch a rebranding and national advertising campaign in early June with print and TV media ads to sell the sizzle to the wider community about how great it is to live in one of our villages. You can continue to do your bit as you have always done and keep the positive vibe going about our Resort to anyone you talk to. Don't forget our Friends to Neighbours referral incentive offer still exists so check in with us on how it can benefit you, and anyone you refer to North Lakes, to the tune of \$1000 each!

Cheers,

Darren
